STOWMARKET GOLF CLUB
at Finborough Park

Stowmarket Golf Club is a fabulous venue for a golf day. Located just outside Stowmarket, a few minutes' drive from the A14, the club is easily accessible and yet is nestled deep in the beautiful Suffolk countryside. We offer a stunning parkland course, a welcoming clubhouse and great hospitality, and we have set aside Thursdays and Fridays (excluding Bank Holidays) from 1pm especially for you. From the time you book, we will strive to ensure that your day is perfect.

If you want to display banners or signs either outside the clubhouse or on the course, we would be happy to help you. Please let us know beforehand.

Our Society organiser will assist you with the planning of your day, and our Clubhouse team will ensure you and your guests receive a warm welcome, friendly service and fantastic food on the day itself.

For more information please call Nicola Hatfield on 01449 736473 (option 1) or e-mail office@stowmarketgolfclub.co.uk.

Ready Golf

SGC has introduced the Ready Golf concept being promoted by the R&A to help speed up play around the course. There are a number of ways this can be done that mean some changes to the interpretation of the Rules of Golf and Etiquette we have all been schooled in for as long as we have played golf.

If players in a fourball each play their shots 5 seconds faster this could save 25 minutes over a round!

Ready golf is a commonly used term which indicates that players should play when they are ready to do so, rather than adhering strictly to the “farthest from the hole plays first” stipulation in the Rules of Golf.

Ready golf is not appropriate in match play due to the strategy involved between opponents and the need to have a set method for determining which player plays first. However, in stroke play formats it is only the act of agreeing to play out of turn to give one of the players an advantage that is prohibited.

The principles of Ready Golf

The term “ready golf” has been adopted by many as a catch-all phrase for a number of actions that separately and collectively can improve the pace of play:

- Shorter hitters playing first from the tee or fairway if longer hitters have to wait
- Hitting a tee shot ‘out of turn’ if the person with the honour is not ready to play
- Hitting a shot when safe to do so if a player farther away faces a challenging shot and is taking time to assess their options
- Hitting a shot before helping someone to look for a lost ball
- Putting out even if it means standing close to someone else’s line
- Hitting a shot if a person who has just played from a greenside bunker is still farthest from the hole but is delayed due to raking the bunker
- When a player’s ball has been hit over the back of the green, any player closer to the hole but chipping from the front of the green should play while the other player is having to walk to their ball and assess their shot
- At all times players should act sensibly to ensure that playing out of turn does not endanger other plays
